(a) and (b) Under Skill India Mission, Ministry of Skill Development and Entrepreneurship is implementing a flagship scheme known as Pradhan Mantri Kaushal Vikas Yojana (PMKVY) 2016-20 across the country including State of Karnataka. PMKVY 2016-20 has two components known as Centrally Sponsored Centrally Managed (CSCM) being implemented by National Skill Development Corporation (NSDC) and Centrally Sponsored State Managed (CSSM) being implemented by State Skill Development Missions (SSDMs) of the States/ UTs popularly known as State- Engagement Component of PMKVY (2016-20).

As on 12.06.2019, 2,35,715 candidates have been trained under the scheme in the State of Karnataka. The district-wise number of candidates trained/oriented under PMKVY 2016-20 in State of Karnataka is given at Annexure.

Further, there is no provision of State-wise allocation of fund under CSCM component while funds and corresponding physical targets have been allocated to the States/UTs under CSSM component of PMKVY 2016-20. Under CSSM component of PMKVY 2016-20, after evaluation of proposal received from Skill Development, Entrepreneurship and Livelihood Department (SDLD), Government of Karnataka, Ministry has given in-principle approval of a total target of 94,164 candidates and corresponding financial allocation of Rs. 138.08 Cr. for FY 2016-20. Out of this, Rs. 21.43 Cr. has been disbursed to State of Karnataka vide sanction order dated 31.03.2017 for the implementation of this component. However, after rationalisation, the fund allocated for State of Karnataka has been reduced to Rs. 103.34 crore.

(c) There is no specific programme to provide basic computer education to about 50 lakh people under skill development schemes being implemented by Ministry of Skill Development and Entrepreneurship. Moreover, PMKVY 2016-20 is being implemented in various sectors including IT-ITeS sector.
